INTERNATIONAL SUMMER

SCHOOL 2017

26. 6. - 21. 7. 2017

FOR UNIVERSITY STUDENTS – BACHELOR´S, MASTER´S AND PH.D. STUDENTS

WHERE:

University of South Bohemia in České Budějovice
Faculty of Fisheries and Protection of Waters Vodňany, Czech Republic

Four-week course within which you are involved in a **small research project**.

Work in very **well-equipped laboratories** under the **guidance of experienced researchers of the FFPW USB**.

Many excursions to fish farms and visits to other interesting places.

Professional, perfectly prepared lectures of leading Czech and foreign researchers represent another part of the Summer School's program.

ENG

Another interesting aspect of the course is a stay in the **international team**. That is why we expect candidates with at least partial knowledge of the English language.

Accommodation (rooms are equipped with private bathrooms - WC and shower), **full board** (breakfast, lunch, dinner), **work in labs**, **insurance**, **excursions** and **lectures** paid by the faculty.

The detailed programme will be published on our website in March 2017.

So don't hesitate and choose your project here:

<http://www.frov.jcu.cz/en/ieeaic/international-school>

If you are interested in, please send your **binding application**, **a letter of motivation** and the **CV** to the contact person:

Bc. Dana Brožová, dbrozova@frov.jcu.cz.

Registration is possible until 31. 3. 2017.

We are opening only 10 projects, so go ahead and register right now!

You will be notified if you have been accepted to our International Summer School no later than **15. 4. 2017** and therefore, you can look forward to spend a pleasant month, which will surely represent an important experience for your future.

The International Summer School is also supported by the budget of the Faculty of Fisheries and Protection of Waters USB and the project IP 2016 – 2018.
